

# UNIVERSAL VALVE TRIM BUNDLES

## UPDATE A BATH WITHOUT BREAKING THE BANK - OR THROUGH THE WALL.

Refresh a shower without the headache when you use the easy install universal tub/shower valve trim bundle. You'll avoid messy tile and behind-the-wall work, instead simply removing your existing trim pieces to pop on the new ones. Compatible with most valve brands and models, each trim bundle showcases a sleek, modern style. They are available in both the Neo and Kubos Collections with your choice of a polished chrome, brushed nickel or matte black finish. Your bundle comes with a 1.75 or 2.0 GPM flow rate shower head, featuring Speakman's proven Exhilaration technology for incredible water delivery through four dynamic spray settings. You'll also receive a shower valve control, shower arm and optional tub spout for your easiest bathroom makeover to date!

Don't let the valve stop you.

Compatible with:

KOHLER® Rite-Temp®

MOEN® Posi-Temp®

DELTA® MultiChoice®
